TO WHOM SO EVER IT MAY CONSERN

We are having an integrated slaughter house at Derabassi (SAS Nagar) Punjab. M/s. ABM Environment Consultants, Ghaziabad. (Headed by Mr. N.K. Gupta) has advised us a lot in respect to waste water conservation, its treatment schemes, solid waste utilisation, bio-gas generation, treated water recycling, reuse upto zero discharge unit. Their advices are economical, valuable & returnable. Now our plant is having consents from CPCB / PPCB. Their work is excellent.

We wish them for bright future.
